The Cooper Gallery in Barnsley has transformed its collection into jigsaws for you to piece together online. They release a daily puzzle (an example of which is to the left) and you can compete against others for the fastest time! Search for the gallery on Google, Twitter or Facebook to join in.

In the rush to return to normal,

use this time to consider which parts of normal are worth rushing back to.

WHERE IS IT?

It was of course the Parish Rooms in the last edition (see above). This week, we have a new zoomed in picture for you, but where is it in the village? Thanks to Alan Downen.

Observe and identify plants and animals with your friends

This app helps you to identify the plants and animals around you. Record and share your observations to create quality data.

Rory McCann
Yesterday at 14:33

Tutorial for children on painting Hogwarts on a moonlit night! Please share and please send me your results!

<https://www.youtube.com/watch?v=kA5omvegswg>

Rory will be holding these weekly 'Wild Art Sessions' on his YouTube channel (see link left). So far, he's done the eye of an owl, tiger, dragon, but this latest one really caught my attention especially with the article in here last week! I will certainly be having a go.
